Date: June 6, 2018

Subject: Bass Lake Road Streetscape construction update

#### **DONE SO FAR**

Construction on this project started on May 7. As of today the following work has been completed:

- ✓ Removals
- ✓ Grading
- ✓ Underground electrical
- ✓ Street light bases
- ✓ Curb & gutter

#### **HAPPENING NOW**

Beginning Thursday morning (June 7) and ending Monday morning (June 11), traffic controls will change so new detector loops may be installed under Bass Lake Road and the entrance to the large parking lot:

- Westbound Bass Lake Road through traffic shifted into the left turn lane
- Left and right turns for westbound Bass Lake Road prohibited at Sherburne
- Sherburne Avenue entrance to the large parking lot closed
- Parking lot access detoured to alley behind the building

**Please see the illustration on the reverse side of this sheet.**

On Monday morning (June 11) the traffic controls will revert back to the traffic controls in place today.

#### **COMING UP NEXT**

During the next two weeks, the following work is anticipated:

- Underground irrigation lines
- Concrete flatwork (sidewalks, etc.)
- Asphalt patching

At this point, it appears that the heavy construction work will be completed by the end of June. However, this is a complicated project and anticipated dates may change. The deadline for substantial completion is July 20.

Feel free to contact me at 763.531.1130 or [john.sutter@crystalmn.gov](mailto:john.sutter@crystalmn.gov). We look forward to completing this project to provide a more appealing streetscape and better business environment on Bass Lake Road.

**Parking Lot Access Detour**

**Thursday morning (June 7) until Monday morning (June 11)**

**Detour access**  
**Driveway between**  
**Nokomis Shoes**  
**and Chipotle**

**Access closed at**  
**Sherburne Avenue signal**

**Detour access**  
**Elmhurst Avenue**
